Deputy Designated Safeguarding Lead Job Description

The term “Designated Safeguarding Lead” (DSL) is used in the Keeping Children Safe in Education document and refers to the person accountable for overseeing the safety and wellbeing of the children in the care of their setting. The role of the DSL should be fulfilled by a member of the schools senior leadership team to ensure that they have appropriate authority and status to provide advice and support to other staff on child welfare and child protection matters.

Additionally the DSL will require time, funding, training and resources to fulfil the role adequately.

The safety and wellbeing of every child in the care of a school that is part of Tudhoe Learning Trust is our absolute priority. The Trust expects all of its staff, pupils, parents, governors, directors, members, visitors, contractors and third party professionals to share this view. The safeguarding and protection of children is everyone’s responsibility. The Trust engages in safer workforce and recruitment practice and will carry out robust and compliant checks prior to appointment and at three yearly intervals thereafter on all staff without exception. The Trust and its designated officers work to ensure that all adults in school are safe, fit and proper. We will make it as difficult as possible for anyone whose motives for being around children are anything other than to ensure their safety and provide appropriate care to work here and we will challenge any cause for concern.
